Essences and Magic Crystals Essences are required to make some of the Magic Crystals. Also in the Refinery, you will be able to make Reform Stones that are used to upgrade your gear to a higher rarity. They will also give Pure Crystals and is a way to get them before you reach Processing Professional Level 5. Additionally, you can get Fruits randomly from gathering Wild Herbs, Plants, and Lumbering Trees but those drops are rare and not reliable. You should do all of them daily if you can as they give enormous amount of Alchemy XP and you will be flying through Apprentice levels in no time. You will get a steady supply them from your workers as a side product of whatever metal they are gathering. Cooldown 30s Defense Elixir App 1 1x Clear Liquid Reagent 6x Ash Sap 5x Pig Blood 3x Purified Water Damage Reduction +5/10 for 5/8 mins Elixir of Concentration App 1 1x Clear Liquid Reagent 3x Cloud Mushroom 2x Wild Grass 3x Troll Blood Accuracy +8/12 for 5/8 mins. Alchemy Materials Alchemy is notorious for having materials that are obscure on their acquisition. Party Elixirs lasts for 10 or 15 minutes depending on if they are green or blue quality and have a cooldown of 1 minute. Sunrise Herb Sunrise Herb can be gathered from Cron Castle node east of Heidel by workers. Pigs can be found in abundance around Northern Wheat Plantation. Trolls are north of Calpheon Lizards are near Glish in the swamps. Payal has security protocols that require candidates to have stable internet connection. Payments should be settled within 48 hours after registering for your IELTS test.
